Safety-Steel One-Piece Bodies Are Feature of New Plymouths

"The New Plymouth, because it combines all the features that are sought by motor car buyers today and offers them at one of the lowest price ranges in the history of automobiles, is destined to be one of the most widely sold cars of the year," said Len Murray, of Paul & Murray, Dodge Brothers and Plymouth dealers at Torrance. An outstanding feature of the new Plymouth models are the safety steel bodies, which present a radical innovation in low-cost cars in that they offer a new degree of safety, comfort, and beauty. These new bodies are infinitely stronger than conventional bodies and yet are no heavier. Assembly sections, formed by giant presses from solid sheets of steel, ribbed and shaped to give maximum strength, are fused into one continuous piece by special adaptations of electrical welding. Thus the entire body becomes one piece of steel with all joints eliminated. Other features of the new Plymouth include: French type roofs, military fronts, a new radiator, high, deep and in flashing chromium, a new Moto-vox horn on headlamp, the rod, beautifully tinted colors in richly polished lacquer, hydraulic brakes, and many other improvements which contribute materially to the new Plymouth's remarkable value. Because of the scientific design of its engine and the fine craftsmanship employed in its building, gasoline and oil consumption is unbelievably low and maintenance costs are reduced to a minimum, Mr. Murray says.

Zonite

For Cuts and Wounds Prevent infection! Treat every cut, wound or scratch with this powerful non-poisonous antiseptic. Zonite actually kills germs. Helps to heal, too.

KEYSTONE NOTES

The annual picnic of the Garden of Whittier "countryside" will be held on Thursday, June 19, at Banning Park, Wilmington. Members of the Carson street Parent-Teachers association are all urged to attend this big social event of the year. Spots will be given by each association in the council following the basket lunch. Coffee will be served by the council.

Dinner guests at the home of Mr. and Mrs. T. G. Cunningham and family of Amelia street, on Sunday were Rev. and Mrs. Harry B. Tranchel and family, Madeline Sinclair and Georgia Merle Tomlin.

Mr. and Mrs. Harry C. Hocutt and family of Grace street, motored to Venice on Saturday night to spend the evening on the beach.

George Nahmens of Carson street, janitor at Carson street school, who completed a two-year course in engineering at the Frank Wiggin Trade school, Los Angeles, at this time and has now had a year's experience will receive his diploma at a graduation banquet on Saturday night at the Polytechnic High school, Los Angeles.

J. A. Tannehill of Silver City, New Mexico, arrived unexpectedly on Sunday at the home of his son, S. S. Tannehill on Dolores street.

The last meeting of the present year of the Carson street Parent-Teachers association will be held on Tuesday afternoon, June 17, with Mrs. Charles M. Forrest, president, in charge. This meeting will be marked by the installation of the newly elected officers. Mrs. D. Schwartz of Wilmington will be the installing officer. A large attendance is anticipated by the president at this last meeting. Refreshments will be served at the close of the meeting.

Mr. and Mrs. William Gill and two sons, William and Stanley, of Dolores street, will leave next week for Vancouver, B. C. Mr. Gill has sold his grocery store to C. C. Orfick who will move it to the site of his present store near Carson street school. The gas pumps have been taken over by Walter Phillips and installed at his lunch room at the opposite corner of Dolores and Carson streets.

Rev. J. C. Adams, known as "Dynamite Adams," of Fort Worth, Texas, will speak at the Keystone Baptist church on Wednesday evening, Sunday morning and evening on "Remember the Cross and the Sabbath."

One of the best school plays to be given at Carson street school was witnessed by large crowds on both evenings of its presentation, Thursday and Friday of last week. This play was written by the teachers and children, the theme of the story being based on classroom work in California history. The scenery for the setting and most of the costumes were also made by the children. The songs and dances used were from col-

lections of California Indian songs. Scenes follow: scene 1, landing of Cabrillo, the first white man in California, 1542; scene 2, first Mission in California, Junipero Serra at San Diego, 1769; scene 3, Mission life; scene 4, fiesta Spanish scene; scene 5, making of first flag by Mrs. Bandini; California enters the Union; scene 6, coming of the railroad, and "forty-niners"; scene 7, California in 1930.

Mr. and Mrs. Z. W. Jennings and daughter, Barbara Jean, Mr. and Mrs. George H. Koehler, Mrs. Bernice Piper, and Donald Berry, were guests on Sunday of Mr. and Mrs. Harry C. Hocutt and family at their summer cabin at Manhattan Beach.

The Croquet club will meet on Thursday at the home of Mrs. George H. Koehler on Wilmington street.

Mr. and Mrs. John Connell and two children, who recently arrived here from Michigan, will occupy the stucco house on Amelia street owned by C. Larsen, this week. Mr. Connell has purchased this new home built but a few months ago by Mr. Larsen.

Mr. and Mrs. George Nahmens and son, Elwood, and daughter, Ruth, of Carson street, motored to Redlands on Sunday where they attended a reunion of acquaintances of twenty years standing held there at Sylvan Park. There were thirty-three present.

Mr. and Mrs. W. A. McCain and family who have been residing in the Phillips house on Carson street are moving this week to Redondo Beach. Adolph Trudeau of Los Angeles has purchased this home from Walter Phillips and will take possession this week.

Mr. and Mrs. H. E. Barnard and daughter, Barbara, and Mrs. Anna S. Blanchfield of Dolores street, motored to Los Angeles on Sunday where they visited Mrs. Barnard's son-in-law and daughter, Mr. and Mrs. Richard Othmer at the Lake Arms apartments on Normandie.

The last meeting of the directors of the Chamber of Commerce for the present year was held on Wednesday evening at the home of Thomas A. Cowan, president, on Amelia street. Plans were made for the meeting to be held on June 28 at Booster's Hall. At that time the new officers of the chamber will take their respective offices.

Mr. and Mrs. Charles M. Forrest and family of Amelia street, were guests on Saturday of Mrs. Forrest's parents, Mr. and Mrs. John Erickson in Pasadena.

Mrs. C. J. Clemmer of Los Angeles is visiting her daughter, Mrs. Charles H. Pierce on Dolores street.

The adults of the Keystone Baptist church with honor J. T. Lillard, Sunday school superintendent, on Thursday evening, which is the anniversary of his first year's work. The celebration will take the form of a beach party held tonight at Brighton Beach.

Woman Hurt as Cars Collide

Cars driven by Merton Gilbert, 2567 Sonoma avenue, and Peter Margosa of the Erwin Hotel, collided at the intersection of El Prado and Arlington avenue Saturday evening at 6:30.

Mrs. Margosa, who was riding with her husband, suffered a cut over the right eye and was treated at the Jared Sidney Torrance Memorial hospital.

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Order has been discovered. This tablet attracts water from the system into the lax, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Order at night. Next day bright. Get 21 for 25c today at the nearest Rexall Drug Store, Dole Drug Co.—Adv.

Early American Cottage Type

THE SALEM
The early American cottages of New England are charming in their domestic simplicity—their quaint homelike and livable appearance has been admired for generations. To capture this old quality of charm and to incorporate it in a modern American is the problem. To begin—we must understand and appreciate the essentials—what must be retained—what rejected or modified—the general mass and the quaint details can be saved but the plan must be livable—it must allow plenty of windows of such size as to insure good light and ventilation in the rooms must be well laid out to save waste steps, also good clear ceiling heights must be arranged. The kitchen and the bathroom must be the last word in modern appointments.
The Salem is a compact house that is economical to build and attractive in appearance. The exterior shows the low hump roofs of the old New England cottages while the entrance porch, the curved bay window and the garden gate are details that run true to form. Within all is efficient and practical. The combined living-dining room and almost no hall makes for economy.
The extra bed room on the second floor serves as an overflow, a play room or a study.
Basement: laundry, heater space, etc.
First floor: living-dining room, coat closet, kitchen, two bed rooms and bath.
Second floor: One bed room and storage space.
Ceiling heights: basement, seven
